Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the present application:

Listing of Claims:

1 – 29. (CANCELLED)

30. (PREVIOUSLY PRESENTED) A method for arranging and playing a media presentation, comprising:

receiving a selection of a plurality of media objects to be included in a media presentation;

receiving configuration instructions for ordering the plurality of media objects in the media presentation;

generating a media package comprising the selected media objects in said order;

identifying a trigger event to be associated with the media package, wherein said trigger event is included in an association list; and

transmitting the media package and said association list to a wireless communication device.
